

Traffic Enforcement Overtime Program
Cleveland Lakefront State Park
Parks Safe

The Parks Safe program provided additional Officers on the park roadways during three summer holiday weekends: Memorial Day, July 4th and Labor Day. Officers worked an additional 72 hours dedicated to traffic enforcement. Officers conducted over 82 traffic stops during the program. The program did not focus on writing an enormous number of citations. The focus was to remind our motoring visitors that they share the roadways with others to include bicyclist, pedestrians and other motorists and to operate on our Park roadways in a safe manner.

Operating a vehicle under the influence:	1 arrest.
Adult restraint citations:	28 issued.
Child restraint citations:	10 issued.
Speed violations:	16 issued.
Other citations:	15 issued.
Driving under suspension:	7
Felony arrests:	15
